ABOUT US

Dal Brands -

"BRINGING MOVEMENT TO YOUR WORKPLACE"

With the Acti range of seating we have continued to focus on our phoilosophy for seating, with movement being a crucial element. The Acti has a flexible back, allowing the user to change their seating position whilst keeping the chair stable. The complete Acti range features 12 standard shell colours with others available for indent with MOQ's. As well as the great range of colours the Acti range has the added feature of upholstered seat pads and fully upholstered shells. To complete the range we have introduced to several models a choice of black or white powdercoat frames, and with arms available early 2018 the Acti range will continue to grow.

Acti is a truly versatile range of seating for any visitor, guest or waiting area; libraries, training and seminar rooms; meeting and breakout areas; as well as restaurants, cafes or anywhere a comfortable, bright and practical chair is required.
