COMPOSITION WALL COVERING

Decorative and functional acoustic wallcovering for education, retail and commercial interiors.

Pin, staple and velcro receptive allowing Composition® to be utilised as display board.

Limitless branding and design possibilities with in-house custom cutting

PEEL N STICK TILES

Composition® Peel 'n' Stick is a decorative and functional acoustic wallcovering for education, retail and commercial interiors

Transform your walls into acoustic notice boards by taking advantage of Composition's tackable and velcro receptive surface.

QUIETSPACE CEILING SOLUTIONS

An ideal alternative to fabric wrapped frames Quietspace® Panel is light-weight, semi-rigid, impact resistant and incredibly durable.

GROOVE

A lightweight but semi-rigid panel router cut with a series of precise, angular designs that bend and distort light. From subtle patterns to hinges and joins for 3D sculptures, Groove adds depth, nuance, and texture.

Six pattern suggestions with endless customisation options. Available in both 12 & 24mm Cube panels, with a peel 'n stick backing option available.

COMPOSITION WRAP AROUND PINBOARDS

Transform your walls into acoustic notice boards by taking advantage of Composition's pinnable and velcro receptive surface, providing the perfect complement for primary schools and daycare, commercial offices, libraries and the hospitality industry.

"It's easy for putting staples in, easy to flick them out... it just makes our life so much easier, it makes a hard job easy"

Nicola - Teacher

Autex Acoustics®
Interior Acoustics
